New Term Starting
September 12, 2010
9:15 am - 10:30 am

We encourage all who have a desire to grow deeper in their faith and in the study of God's Word to join us for Sunday School classes. We will be offering 4 classes this term from September to December 2010.

Classes begin on September 12th. Everyone to meet in the Fireside Room on the first day. All are welcome.

1. Christianity 101

Teacher: Janson Ho

"Like newborn babies, crave pure spiritual milk, so that by it you may grow up in your salvation, now that you have tasted that the Lord is good." 1 Peter 2:2

Come learn the foundational theology of our Christian beliefs about the Bible, Jesus, salvation and end times. Attend this class if you want to be baptized this Christmas or if you just want to deepen your understanding of Christianity.

2. Book of Ruth

Teachers: C. F. Lam, Pastor Abe Chan, Lauren Tai

The timeless story of God's grace and sovereignty during the most difficult of human experiences is as applicable to us today as it was over three thousand years ago. The issues of race, purity, faith, and Christ-centered hope inspire us to look for God's hand of providence in our own lives. This class is an in-depth study into the Book of Ruth which will be our sermon series starting in the Fall. The format will allow us to reflect on the study questions and message preached the week before and to dig deeper into the content beyond the words preached on Sunday mornings. We will begin the study with a brief look into the period of the judges, which is the setting for the Book of Ruth, and end with the story of Christ as found in the gospels.

3. Bursting Your Bubble - A Relationship Revolution

Teacher: Fritz Baylen

"Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have." 1 Peter 3:15

Do you know how to engage people in spiritual conversations? Have you developed your life story, and shared it? Do you know how to lead someone to Christ and follow them up? If not, then it's time to Burst your Bubble!

The seven-week series covers the following topics.

- Discover the Spirit-filled life - the power source for effective ministry.
- The Pack, the Parrot and the Pass - Keys to great conversations.
- Your Life Story. A two-part section focused upon discovering and developing your personal journey of faith in a way that will engage anyone who listens.
- Communicating the Gospel. A two-part section where you will learn how to share the gospel message itself.
- Follow-up. You will learn how to help a new Christian grow in their relationship with Christ.

There will be an opportunity to put your training into practice at the end of the series. Invite your friends to a forum where a Christian marketplace leader will share their successes and failures, and how faith has made a difference in their professional and personal life.

4. Women of Excellence

Teachers: Franca Hsin & Esther Marr

The world's definition of success is based on our earning power, education level, socio-economic status, and appearance. A woman of excellence in today's world is her ability to achieve all these things plus having a successful family life. According to Charles Colson, *"The church is in almost as much trouble as our culture, for the church has bought into same value system: fame, success, materialism, and celebrity."* We need to discern through the Scripture to know what is biblical and what is cultural. If you desire to seek God's perspective on becoming a godly woman, join us as we seek to understand what excellence means in these contexts: surrender, obedience, discipline, discretion, wisdom, purity, and a gentle and quiet spirit based on Cynthia Heald's study guide on ***Becoming a Woman of Excellence***.
