Nehemiah Chapter 5

Questions for personal or small group study and reflection:

1. What do you get angry about? Are they righteous? What is one thing you can do about your righteous and your unrighteous anger?
2. How would/does it affect your energy level when wrongs are being done in your family/work/church?
3. When is the last time you sacrifice a privilege to live according to God's values?
4. How do you determine what is kingdom values and worldly values? How are you doing living out kingdom values? How are you doing living out worldly values?
