

# EXPERIENCE Worship

Do you ever wonder...

- ✓ What worship practice is like?
- ✓ What do the technical arts crew do?
- ✓ Do I have what it takes to be on the worship team?
- ✓ Will training be provided?
- ✓ Is God calling me to the Worship Ministry?

Experience the Worship Ministry firsthand by teaming up with brothers and sisters currently serving in this ministry. Attend a worship practice, visit the sound booth, and ask questions about this ministry.

To view the Ministry Descriptions within the Worship Ministry, please go to our webpage at [www.vcac.bc.ca/english/worship](http://www.vcac.bc.ca/english/worship) or contact Noel Mendoza at [vcac.music@gmail.com](mailto:vcac.music@gmail.com).
