When God's Spirit Moves / When God's People Pray

Pastor Bill Wong

This will be a two-part course presented by Jim Cymbala, who has been the pastor of Brooklyn Tabernacle for over 25 years. Part 1 will give students a better understanding of the ministry of the Holy Spirit so that they can live a vibrant and victorious life. His power and presence is what makes life exciting as we follow Jesus. The goal here is to do more than philosophize or to talk intellectually about the Holy Spirit; but to connect experientially with His gentle touch upon our lives. Part 2 will help students better understand, personalize, and apply the powerful, life-changing concepts of prayer. The goal here is to help God's people discover prayer as our lifeline to Him – our source of strength and abundant blessings, which can change lives, invigorate our churches, transform our communities, and even alter the course of history. The format of each session will include watching a 15-20 minute DVD teaching segment by Pastor Cymbala, with a short vignette of someone's experience, followed by a group exploration and discussion on that session's topic.
